San Diego Community College District

Overview

Academic Year 2024-2025

Chancellor

Gregory A. Smith

Board of Trustees

- Geysil Arroyo, M.P.H.
- Mariah Jameson, M.S.W.
- Craig Milgrim, M.S.
- Marichu G. Magaña, Ph.D.
- Maria N. Senour, Ph.D.

Presidents

- Ricky Shabazz, Ed.D.
City College
- Ashanti T. Hands, Ed.D.
Mesa College
- Wesley Lundburg, Ph.D.
Miramar College
- Tina M. King, Ed.D.
College of Continuing Education

Vice Chancellors

- Laurie Coskey, Ed.D.
Development & Entrepreneurship
- Michelle Fischthal, D.B.A.
Institutional Innovation & Effectiveness
- Jared Burns, Ph.D., J.D.
People, Culture, & Tech. Services
- Daniel Troy
Finance and Business Services
- Joel Peterson, Ph.D.
Ops, Enterprise Services, & Facilities
- Susan Topham, Ed.D.
Educational Services
- Jack Beresford, M.B.A.
Marketing, Comms, & Public Affairs

The **San Diego Community College District** (SDCCD) is among the largest of California's 73 community college districts. Annually, it provides education to approximately 90,000 students through its three credit colleges — San Diego City College, Mesa College, and Miramar College — and the seven noncredit campuses of the San Diego College of Continuing Education. The District also serves over 5,000 active-duty military personnel, veterans, and dependents. SDCCD is overseen by a five-member Board of Trustees, elected by local voters to four-year terms in even-numbered years.

The Board's four student members rotate, while the chancellor, the District's chief executive officer, is responsible for executing policies approved by the Board. The District encourages participatory governance, allowing all constituent groups to partake in planning processes. SDCCD credit colleges offer associate degrees, and career technical certificates are available through the College of Continuing Education and the credit colleges. These courses prepare students for university transfer or employment. The credit colleges also offer bachelor's degrees in high demand fields such as Cyber Defense and Analysis, Health Information Management, and Public Safety Management. The District has active local industry, community, military, and educational partnerships to provide clear career pathways for students. In the 2023-24 fiscal year, the District and its graduates contributed \$5.8 billion to the regional economy. The San Diego Community College District is dedicated to fostering a diverse and inclusive environment where every student can **Be** their true selves. Our collaborative approach ensures that everyone feels that they **Belong**. Students, faculty, classified professionals, administrators, and community partners work together to create a supportive and dynamic learning experience. We are committed to transformational education that empowers students to **Become** the best version of themselves, achieving their personal and professional goals.

Major Construction Projects/Improvements Underway or Planned for the Year

The San Diego Community College District passed bond measure HH in November 2024 for a total of \$3.5b. The bond will upgrade many of the buildings that were not upgraded in Prop S & N which were closed out in 2023. Currently the \$50,000,000 renovation to the historic Educational Cultural Complex Theater has started construction with a scheduled occupancy of Spring 2027. The District has a proposed affordable student housing project at City College that is expected to start construction in November 2026. The District is planning on starting the following projects in October 2026: Saville Theatre Replacement at City College, the A Building Expansion at City College, Sports and Kinesiology Sciences at Mesa College, Performing Arts Center/Administration and Parking Structure at Mesa College, Performing Arts Center and English/Gallery Building at Miramar College, Early Education Center at Miramar College, Montgomery Field Aviation Instructional Center for Miramar College, and the West City Campus Expansion for the College of Continuing Education.

President: Ricky Shabazz, Ed.D.

As the first community college in the region, **San Diego City College** has served our communities since 1914. As the District's flagship college, the multicultural campus is home to over 13,000 students each semester and offers more than 200 degrees and programs. City College has as our core mission a commitment to social justice, educational equity, and academic excellence. Located in vibrant East Village, the 60-acre urban campus serves as the educational cornerstone of downtown San Diego.

City College is a short walk from the City College Trolley Station, world-renowned Balboa Park, the Gaslamp Quarter, Petco Park, and the San Diego Bay. The college offers career technical training for in-demand fields such as cybersecurity, environmental control technology, biotechnology, computer information systems, digital music technology, and machine technology. In addition to associate degrees and certificates, City College now offers a Bachelor of Science in Cyber Defense and Analysis, preparing students for advanced careers in cybersecurity and information assurance.

City College alums are employed throughout the region as engineers, technology specialists, business leaders, radio/TV broadcasters, linguists, cosmetologists, fitness specialists, and child development teachers, to name a few. Nursing graduates work in every major health care facility in the region. The visual and performing arts department also offers theater, dance, music, fine art, and award-winning graphic design and photography programs, which includes the Fine Art Gallery and Luxe Photography Gallery highlighting campus and community work. City College is the first choice for many for a quality education, exceptional student support services, and caring faculty and staff.

Major Construction Projects/Improvements Underway or Planned for the Year

With the passage of Measure HH in November 2024, San Diego City College is embarking on a transformative era of campus development. The first four major projects include the construction of an affordable student housing facility at 16th and B Streets; expansion of the A Building to modernize student services and academic spaces; the replacement of the historic Saville Theatre; and upgrades to the gymnasium, including a new HVAC system and the addition of four sand volleyball courts. These projects mark the beginning of a long-term Facilities Master Plan that will guide campus growth over the next 15 to 20 years, ensuring that City College continues to meet the evolving needs of its students and the broader community.

San Diego Mesa College is a fully accredited, comprehensive institution committed to being the leading college of equity and excellence. The diverse community of students, faculty, professional staff, and administrators collaborate to foster scholarship, leadership, access, and innovation in an inclusive learning environment. By promoting student learning and achievement, which leads to degrees, certificates, transfer opportunities, workforce training, and lifelong learning, Mesa empowers students to reach their educational goals and shape their futures.

2025-2026 Credit College Terms

Fall	August 18, 2025 - December 20, 2025
Spring Intersession	January 5, 2026 - January 30, 2026
Spring	January 20, 2026 - June 1, 2026
Summer	June 2, 2026 - August 8, 2026

As one of the largest community colleges in California, Mesa serves over 30,000 students each year, 30% of whom are first-generation students. The College offers nearly 200 associate degrees and certificate programs, as well as a Bachelor of Science in Health Information Management, one of the first four-year baccalaureate degrees offered by a California community college. Mesa College is San Diego's top transfer institution and supports 19 athletic teams, consistently among the most successful in the Pacific Coast Athletic Conference. As a proud Hispanic Serving Institution (HSI) and Asian American and Native American Pacific Islander Serving Institution (AANAPISI), Mesa is also a student-parent and military-friendly college, serving more than 4,000 veterans, active-duty service members, and their families. To support its diverse student population, the College offers a variety of learning and support centers, including the AVANZA Engagement Center, Dreamer Resource Center, Family Resource Center, FAST/Foster Youth Center, High Tech Center, Honors Center, Kapwa Umoja Puente (KUP) Center, Pride Center, STEM Center, Veterans Center, and The Stand: The Dr. Pamela T. Luster Resource Center, which provides food and clothing assistance.

Major Construction Projects/Improvements Underway or Planned for the Year

This past year, Mesa College opened new student-focused centers and began planning for upcoming Measure HH construction projects. Rep. Jacobs, whose district includes Mesa College, helped secure \$1,466,279 in federal funding to support student-parents. The new Family Resource Center provides a space for students to study with their children, attend workshops, and build community. One in four students at Mesa are parents balancing childcare and academics. Funding supports extended hours, staff, and essential supplies such as diapers and food. Mesa's participation in Generation Hope's FamilyU program helped shape additional resources for student-parents, including more lactation spaces, family-friendly restrooms, and parent-focused amenities like highchairs and small furniture in community areas. In spring, Mesa opened the KUP Unity Village for Kapwa, Umoja, and Puente students to gather, build community, and support academic success. The space offers study areas, workshops, cultural events, and opportunities to connect with faculty and counselors from these learning communities. Looking ahead, Mesa is advancing two major Measure HH capital projects as part of Phase 1. The first is a \$270 million Sports Complex featuring a new gym, aquatics center, dance studios, athletic training facilities, and study areas. The existing gym will be replaced. The second is a \$200 million Performing Arts Center and Administration/Parking Structure, which will add performance spaces, offices, and parking. Both projects are in procurement, with design-build teams to be selected by fall 2025. Stakeholder input will guide the programming and design process.

President: Wesley Lundburg, Ph.D.

San Diego Miramar College is a comprehensive community college located in the Mira Mesa/Scripps Ranch area of San Diego. The college offers 175 degrees and certificates in 42 programs and a full range of transfer pathways to students looking to attend UC, CSU, and private universities. The College serves approximately 24,351 students annually.

To enrich student life, Miramar College has established five intercollegiate sports teams and hosts the Phi Theta Kappa International Honors Society. Partnerships with local industry and the City and County of San Diego help Miramar College prepare students for high demand and well-paying careers in the highly competitive labor market, including biotechnology, paralegal, aviation, automotive, diesel, and alternative fuels technologies. Miramar College has been home to the Southern California Biotechnology Center, Advanced Transportation and Technology Center, and San Diego Regional Public Safety Institute. Since 1969, the College has provided training for nearly all law enforcement officers and firefighters within San Diego County. The Public Safety Institute also trains EMTs and offers the only open water lifeguard degree program in the world. The College is proud of its state-of-the-art facilities, including those for departments such as science, automotive, aviation, heavy duty advanced transportation, fitness/athletics/health, humanities/arts and business/math classroom facilities, fire science/EMT training, MTS transit, and a 100,000 square foot library/learning resources center and student union to meet the comprehensive instructional and student service needs of its student body. Each spring, on average, Miramar College awards approximately 1,114 associate degrees and 610 certificates.

Major Construction Projects/Improvements Underway or Planned for the Year

Recently completed projects include an infrastructure landscape and pathway project on the west side of Parking Structure 4 allowing for a safe walking path connecting the south end of campus to the quad area and improving the look of that area. Smaller projects include providing ADA parking spaces under some type of shading near parking lot 1 or 2 as required and repairing smart meters to be able to track energy data on individual buildings.

After completion of the Propositions S & N projects at Miramar College the campus is now focused on the new Facilities Master Plan which identifies campus facilities and infrastructure that will need to be constructed over the next 15-20 years to support the Educational Program with the passage of Bond Measure HH in November 2024. Miramar College will start the planning and design of the new Performing Arts Center and English/Gallery Building. The Early Education Center will start planning in the fall of 2025 which will replace the existing one, and the Aviation Hanger will be replaced and expanded at Montgomery Field.

San Diego College of Continuing Education Overview

Academic Year 2024-2025

President: Tina M. King, Ed.D.

Established in 1914, **San Diego College of Continuing Education** is among the oldest and largest noncredit institutions in the nation, serving approximately 30,000 students annually at seven campuses across the city, various community locations, and online. As the adult education arm of the San Diego Community College District, our students are among the most diverse in California—culturally, ethnically, and educationally—and our college is proud to be playing a preeminent role in alleviating poverty in our community.

2025-2026 SDCCE Terms

Fall	August 25, 2025 - January 17, 2026
Spring	January 20, 2026 - June 1, 2026
Summer	June 2, 2026 - August 15, 2026

San Diego College of Continuing Education commits to student success and community enrichment by providing tuition-free, accessible, equitable, and innovative quality education and support services to diverse learners in pursuit of lifelong learning, training, career advancement, and pathways to for-credit colleges. Programs address essential areas of adult education, including short-term career training in priority industry sectors; English as a Second Language; basic skills; an Emeritus program for those 55 years old or older; and Disability Support Programs and Services. The San Diego College of Continuing Education's career training programs alone contribute a quarter-billion dollars to the San Diego regional economy each year. Employers also benefit from customized workforce training through our Employee Training Institute (ETI). San Diego College of Continuing Education was one of the first noncredit institutions in the U.S. to be separately accredited by the Western Association of Schools and Colleges (WASC), recognized for its impactful community presence, innovative programs, and commitment to transforming lives through accessible education and career pathways. Administrators, faculty, and staff are highly qualified, with many holding master's degrees and several holding doctoral degrees.

Major Construction Projects/Improvements Underway or Planned for the Year

The state of California awarded San Diego College of Continuing Education a \$35 million grant to preserve and rehabilitate the historic theatre inside the landmark Educational Cultural Complex (ECC) in the Southeast San Diego community of Mountain View. The project has started construction and is scheduled for occupancy in Spring 2027. The expansion to the West City Campus is scheduled to start planning and design in the fall of 2025.. Other projects include doubling the size of our award-winning welding program, thanks to \$1.175-million in funds from a Texas-based nonprofit; long-overdue restroom upgrades at the ECC supported by \$500,000 in federal funds; a new A.I.R. Skills Technical Trades & Workforce Development Center that will directly address a growing statewide shortage of skilled workers in the trades and technical fields such as welding, green technology, electronics, and more; a new Research Center at the North City Campus; a new Business Resource Center at the César E. Chávez Campus; and new student Welcome Centers at all seven campuses. After completion of the Propositions S & N projects at the San Diego College of Continuing Education the campus is now focused on the future implementation of the Facilities Strategic Plan with the passage of proposed Bond Measure HH in November 2024.

Definition of Terms

San Diego Community College District

ACP

Accelerated College Program. A dual enrollment program in which college courses are offered on high school campuses through an agreement between a high school and Mesa College. The goal of ACP is to accelerate degree completion for highachieving students. High school students receive course credit for both high school and college transcripts.

Annual Year (2024-2025)

For reporting purposes, the 2024-2025 Annual Year refers to Summer 2024, Fall 2024, Intersession 2025, and Spring 2025.

Basic Skills Courses

Courses in English and math that are one level or more below transfer level English and math. Also included are all ESOL courses.

CCAP

College and Career Access Pathways. A dual enrollment program established under California Assembly Bill 288 (2016) that serves students underrepresented in higher education. Under CCAP, a high school enters into an agreement with a community college to offer college courses on the high school campus. CCAP courses are closed to the public. High school students receive course credit for both high school and college transcripts.

Concurrent Enrollment

High school students enrolled in courses on the college campus outside of a CCAP or ACP agreement. This includes enrollments outside of any agreement. High school students receive course credit for both high school and college transcripts.

Contact Hours

Number of student contact hours for all methods of accounting including: WSCH, DSCH, PA, PO, PQ, IS, and IX.

Course Completion Rate (*Previously Retention Rate*)

The percentage of students who complete a course with a grade of A, B, C, D, F, P, or NP out of total official census enrollments. Tutoring, challenge exams, and Credit for Prior Learning are all excluded.

Degrees, Certificates, and Diplomas

The number of degrees, certificates, and diplomas awarded in Summer 2024, Fall 2024, and Spring 2025.

Enrollment - Credit Colleges

The number of seats enrolled, or duplicated headcount. Drops, never attends, cancelled, Challenge Exams, Credit for Prior Learning, and tutoring classes are excluded.

Definition of Terms

San Diego Community College District

Enrollment - College of Continuing Education

The number of seats enrolled, or duplicated headcount. Less than one attendance hour, drops, never attends, apprenticeship, non-state supported, and cancelled classes are excluded.

First Generation Students

Students who have identified themselves as the first generation in their family to attend college.

FTEs

The total number of full-time equivalent students enrolled. Excludes non-state supported, cancelled, and tutoring classes. F-Factor is included.

Headcount

The individual count of students, or unduplicated headcount. Drops, never attends, Challenge Exams, Credit for Prior Learning, and cancelled classes are excluded. Apprenticeship, contract, and fee-only students are also excluded from SDCCCE.

San Diego Promise

These numbers reflect unduplicated headcount for Fall 2024 Promise Participants. The Campus listed is the "home" campus where students received Promise services. This count includes 2024-2025 Promise participants that signed a commitment contract and participants from the 2023-2024 cohort that returned for a second year and signed a re-commitment contract.

Students Receiving Financial Aid

The number of students who were enrolled as of official census and received financial aid.

Success Rate

The percentage of students who complete a course with a grade of A, B, C, or P out of total official census enrollments. Tutoring, noncredit, Challenge Exams, Credit for Prior Learning, and cancelled classes are excluded.

Transfers (SCFF Methodology)

The total number of students who transferred to a 4-year institution and were enrolled at an SDCCD college at any time within the prior academic year and earned 12 or more units in that year. Students with enrollment at SDCCD during the year of transfer are excluded.
